DIRECTIONS FOR USE:

BED BUGS: Spray Mattress, particularly around seams and tufts. Take bed apart, spray joints. Repeat as required. **FLEAS:** Spray infested areas such as pet's bed and resting quarters, nearby cracks and crevices, along and behind baseboards, windows and door frames, and localized areas of floor and floor covering where these pests may be present. Remove old bedding after treatment. Insects must be contacted to be killed. Do not treat animals with this product.

ATTENTION: Users should test(treat) a small, inconspicuous area first to ensure there are no adverse effects such as staining or discolouration.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not remain in treated areas. Ensure proper ventilation after areas have been treated. Any treated surface that may contact food or feed products should be washed thoroughly with potable water after spraying and before re-use. Do not contaminate feed, food or water troughs. Avoid inhalation of spray. Avoid contact with skin and eyes. Wash after using.

CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stove or other sources of heat. Do not puncture or incinerate can or store at temperatures over 50°C. Do not spray into or near any open flame, spark, or while smoking.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillate.

Vomiting may cause aspiration pneumonia. Treat symptomatically.

DISPOSAL: When container is empty, press valve to release all remaining pressure.

Dispose of empty container in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for information on the clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
